Continuation of 4(e) Other: The current claims filed in this amendment are not the same claims, which the Portman reference was used. For example, current claim 1 does not contain the limitations "wherein when the request is for a predetermined proximity to a target location, the user may choose a radius for said target location", which was in the previous amendment filed on 10-04-04. Moreover, in the previous amendment of 10-04-04, the Applicant canceled claim 5. In the current Amendment of 12-22-05, these claims now contain a claim 5 and labeled "previously presented" .
